Canada: the land of opportunity

“We are proud to promote Canada as having the best higher education system in the world and, equally, as the real “land of opportunity” for the world’s best and brightest minds. Many will study and stay here as new Canadians, making great contributions to our future economy, and many will return to their countries with strong bonds to Canada which they developed while being students here. They will be Canada’s future ambassadors.”

Talks about:

The ILAC Experience

I chose ILAC to have the second best experience of my life, precisely because the first one was here, at the same place, in the same school 7 years ago. The quality of the classes, the diversity of activities offered and the multiculturalism of Toronto made me choose to live that dream again. I would recommend it as I have already. Two of my friends from Brazil are coming to study at ILAC after my enthusiastic testimony about the experience at ILAC and the opportunities it provides.

ILAC Programs

Choosing Business English is by far the best decision I have taken since I came to ILAC. I found the best teacher and team to learn about business while having fun. ILAC has transformed my life in a short time. Thanks to an intensive program, I am now confident about my English skills and I learnt the tools to succeed in the business world. I highly recommend ILAC as your best partner to achieve your language goals. The school has the best staff and delivers positive results and improvements in a short term.

ILAC Programs

Back home, we learn English in a closed way, where education tends to focus on only grammar or vocabulary. On the other hand, at ILAC, I can learn English in a lot of different ways, from general knowledge or grammar to really specific and academic skills like in the business class. I like that way to learn English. For me, the atmosphere of the class is the most important aspect at ILAC.

Homestay

Living in a homestay has changed my life. I've been learning so many things. When I came to Canada I was scared, without family or friends. The chance to have a place in someone's family home was amazing. In a homestay, if you are open to it, you can feel like you're at home. Also, in a homestay you have the chance to improve your English more than ever, learn more about other cultures and make good friends. You can have a second family, look how amazing is that!

The ILAC Experience

At ILAC, it is fun to study! My teacher always made the class atmosphere exciting. They are the most friendly people I have ever met. Also, students are really friendly and kind to each other. They do not hesitate to help each other. I am really surprised that people from different countries can be best friends. Wherever I go all over the world, I now have friends in every country.

I want to get a diploma in Tourism Management from Niagara College. To enter this College, I need to improve my English, and with ILAC's help I can achieve my goals and dreams. I was pleasantly surprised when my Regional Ambassador at ILAC told me that it is possible to enter the College without TOEFL or IELTS tests because ILAC has many partnerships with different Colleges and Universities.
